

The Pocket Constitution: A Guide to the U.S. Constitution and Its Amendments

The Pocket Constitution is a concise and accessible guide to the United States Constitution and its amendments. It is an essential resource for students, teachers, and anyone interested in learning more about the foundation of American government.

The Constitution is the supreme law of the land, and it establishes the framework for our government and protects our individual rights. The amendments to the Constitution have been added over time to address new challenges and ensure that our government remains responsive to the needs of the people.

The Pocket Constitution provides a clear and concise explanation of each article and amendment of the Constitution. It also includes a helpful glossary of terms and a timeline of important events in American history.

Pocket U.S. Constitution: President Donald Trump Inaugural Commemorative Edition

Whether you are a student studying the Constitution for the first time or an adult citizen who wants to refresh your knowledge, the Pocket Constitution is an invaluable resource.

The Constitution is divided into seven articles, each of which deals with a different aspect of government.

- **Article I** establishes the legislative branch of government, consisting of the Senate and the House of Representatives.
- **Article II** establishes the executive branch of government, consisting of the President, Vice President, and Cabinet.
- **Article III** establishes the judicial branch of government, consisting of the Supreme Court and lower federal courts.
- **Article IV** deals with relations between the states and the federal government.
- **Article V** establishes the process for amending the Constitution.
- **Article VI** establishes the supremacy of the Constitution over state laws.
- **Article VII** sets forth the requirements for ratifying the Constitution.

The Constitution has been amended 27 times, with the first ten amendments being known as the Bill of Rights. The Bill of Rights protects individual rights such as freedom of speech, religion, and the right to bear arms.

Other amendments to the Constitution have dealt with a variety of issues, such as the abolition of slavery, the right to vote for women, and the establishment of a national income tax.

The Pocket Constitution is a concise and accessible guide to the U.S. Constitution and its amendments. It is an essential resource for students, teachers, and anyone interested in learning more about the foundation of American government.
