It all starts when Tony accidentally sends a text message meant for his wife to his entire congregation. The message? A rather graphic description of his latest bout of indigestion. Needless to say, this causes quite a stir. But it's only the beginning of Tony's troubles.

Soon, Tony is finding himself stuck in a tree, being chased by a swarm of bees, and even mistaken for a flasher. But through it all, Tony never loses his sense of humor. He's a man who can find the funny side of even the most embarrassing situations.

The Vicar's Knickers is a laugh-out-loud funny novel that will warm your heart and make you believe in the power of laughter. It's a story about a man who, despite his many mishaps, never gives up on life. And it's a story that will stay with you long after you finish reading it.
